Village of Champion

Notice of Preparation of Assessment Roll

Notice is hereby given that the assessment roll of the Village of Champion for the year 1942 has been prepared and is now open for inspection at the office of the Secretary-Treasurer from ten o'clock in the forenoon to four o'clock in the afternoon on every day that is not a public holiday, except Saturday, and on that day from ten o'clock in the forenoon until two o'clock in the afternoon, and that any person who desires to object to the entry of his or her name or that of any other person upon the said roll or to the assessment of any property or to the assessed value placed upon any propercy, must within thirty days after the date of this notice lodge a complaint in writing with the Secretary-Treasurer.

Dated this 13th Day of May, 1942

U. S. ALEXANDER
Secretary-Treasurer

NOTICE

MUNICIPAL DISTRICT OF HARMONY NO. 128

All Farmers who have in 1942 seeded less wheat acreage than in 1940 are advised that forms for bonus payments must be completed prior to May 30th, 1942. Facilities for the completion of the forms will be available in the Municipal Office from May 26 to May 30.

CLARK RHODES

THE WEATHER

This week the weather was the type that makes the farmer's heart happy. The precipitation this year is higher than the Longtime Average for the district. The days have been cool.

Precipitation Chart Champion District
(Courtesy Searle Grain Co.)

	Longtime Av.	1941	1942
May 15	2.45	1.83	2.47
May 8	1.80	0	.27
May 1	1.15	0	.01
April 22	.86	0	.01
April 15	.57	0	0
April 8	.28	0	0

Fall moisture (subsoil reserve) for this district, as indicated by August, September and October precipitation, longtime average 5.13; for the year 5.06 or 99 percent of normal.

Report of Meeting of Municipal Council

All members of the Council were present, with Reeve Griffin presiding.

Mr. W. Hewlett of the Department of Municipal Affairs was present to interview the Council in respect to the secondary Highway account with the view of getting this matter straightened up. Mr. Hewlett offered certain concessions on behalf of the Department and the Council after discussing the matter freely asked permission to have until the next monthly meeting before making a decision.

A communication was received from the department confirming the appointment of E. D. Battrum as Auditor for 1942

New blades were approved for the reclamation ditchers.

The Council authorized the borrowing of five thousand dollars from the Canadian Bank of Commerce for Municipal purposes.

The Council authorized the Secretary-Treasurer to co-operate with the Federal Department of Agriculture in the 1942 Crop Production Policy.

CANADA NEEDS FLAX AND COARSE GRAINS

"The immediate war job of agriculture is to remedy the deficiency of vegetable oils and fats resulting from the cutting off of our Pacific sources of supply.

"Wherever possible, wheat growing land should be diverted to the growing of coarse grains, in particular, oats, barley, flax, corn, hay and alfalfa. Farmers must raise still more hogs, cattle and sheep and boost production of eggs and all dairy products."

Donald Gordon, Chairman, Wartime Prices and Trade Board.

PIONEER GRAIN COMPANY LIMITED 18

$9,000,000 NEEDED NOW!

EVERY RED CROSS DOLLAR does the work of three dollars. The Red Cross buys materials at bottom prices. Then, millions of Red Cross workers, knitting, sewing, toiling, without pay, finishing these goods and transporting them free, multiply the original dollar-value threefold.

It is well that this is so, for food, clothing, shelter and hospitalization cost millions.

Every week, 40,000 parcels go overseas now, from the Canadian Red Cross, to prisoners of war. This must be more than doubled to meet the actual need. The *outgo* is continuous; the *income* must be continuous.

The Red Cross is on duty 24 hours every day. Never was a dollar worth more in the hands of the Red Cross than now. Do your part to keep this Army of Mercy on the march. Open your heart and your purse strings—GIVE generously.

The Canadian Red Cross Society's accounts are subject to scrutiny by the Auditor General of Canada.

Board of Trade To Hold Dinner Meeting

The next regular meeting of the Champion Board of Trade which will be held on Monday June 1, will be a dinner meeting and will be open to all men of the town and District. One feature of the evening will be a talk by one of the prominent business men of Lethbridge.

The Lethbridge Board of Trade have intimated they will be pleased to be present by representatives at this meeting.

The evening's program will also contain some musical numbers and novelties. Geo. Campbell and Perc. Gatenby are in charge of program arrangements. Further arrangements will be given in next week's Chronicle.

GO TO CHURCH

The problems of securing a good attendance at Church services in small towns and villages is just as much a problem as it is in the cities.

Most of us received a good religious training when we were youngsters but upon becoming men and women too many of us are inclined to pay only lip service to our church.

It is not very flattering to our clergymen who spend hours preparing sermons and then to have only a handful of worshipers attend service

Champion Cadets Sponsor Military Ball, May, 22nd.

—"v"—

The Military Cadet Ball to be held on Friday next promises to be an outstanding event.

There will be special dances and events and many prizes. A master of ceremonies who will see that things keep moving at a fast pace will be in charge.

Proceeds of the dance will go towards providing equipment necessary for the continuation of the Champion Cadet Corps.

v—V—v

Turn in your old rubber tires, tubes and hot water bottles to any of the local garages. This old rubber is vitally needed for war production purposes.

BREWING INDUSTRY OF ALBERTA

NATIONAL WAR LABOUR BOARD

COST OF LIVING BONUS

The Dominion Bureau of Statistics has found that the cost of living index number for April 1, 1942, of 115.9 [adjusted index 115] has not risen by one whole point or more over the index number for October 1, 1941, of 115.5 [adjusted index 114.6]. Accordingly, the National War Labour Board, pursuant to the provisions of Section 12 of Order in Council P. C. 8253, determines and announces, for the period May 15, 1942, to August 15, 1942, subject to the right of employers or employees to apply to a War Labour Board for authorization of payment of such an amount of cost of living bonus as a Board may determine to be "fair and reasonable," under the provisions of the Order, that:

(a) There shall be no change in the amount or percentage of cost of living bonuses presently being paid;

(b) An employer who has not been paying cost of living bonuses may not begin to pay such bonuses.

By Order of the National War Labour Board,

HUMPHREY MITCHELL
Minister of Labour and Chairman

Ottawa, Canada,
May 12, 1942

SEEDTIME and HARVEST

By
Dr. K. W. Neatby
Director, Agricultural Department
North-West Line Elevators Association

Cereal Variety Recommendations

No less than eight varieties of wheat are officially recommended in the prairie provinces. Due to the striking differences in soil and climate found in various regions, it is natural that some varieties should be particularly well adapted to certain regions. Each year standard and new varieties are tested at widely separated points. Hundreds of such tests are conducted, and the results carefully examined by provincial cereal variety zonation committees.

On the basis of experimental results, official recommendations are published; and these are distributed to all grain buyers of line elevator companies associated with the Agricultural Department of The North-West Line Elevators Association. Recommendations respecting oats, barley and flax are also included.

In order to achieve the best results in grain production, the farmer must be sure to grow the variety best suited to his local conditions, and he must have reasonably pure seed which will germinate and grow vigorously.

Crop Improvement Associations are now functioning in each of the three prairie provinces and through them the country elevator grain buyer becomes the recognized distributor of registered and certified cereal seeds. He will be glad to advise respecting recommended varieties, and will place seed orders with the Crop Improvement Association.

Several new varieties of oats and barley have been released during the past few years. The emphasis now placed on livestock products justifies more attention to securing the best varieties of coarse grains. Also, the Government is asking for more and more flax.

Sow only good seed of a good variety.

v—V—v

Maybe you think your small change cannot help . . . that "total war" means "somebody else."

Maybe you're one of the thousands of housewives who haven't yet started to put even 50¢ a week into War Savings Stamps—just a neutral . . .

There aren't any neutrals in this war! You're a help or a hindrance to victory. You can't get out of it. If you spend thoughtlessly you'll deny our fighting forces the arms they need and imperil your own future. If you—and 2,000,000 other housewives in Canada—put only 50¢ a week into War Savings Stamps, it means $1,000,000 a week to help win the war. Which side are *you* on?

Buy War Savings Stamps from banks, post offices, druggists, grocers and other retail stores.

Red Cross Drive Progressing Well

v—V—v

Red Cross officials have expressed satisfaction in the progress of the drive for funds in the Champion district. There are still a great many calls to be made in the rural areas and officials state that if everyone called upon will contribute according to their ability, the objective will be reached.

A donation from over two thousand miles away was received by the committee here today; it was from G. S. McRae, owner of the Chronicle

SAVE FOR CANADA

Save something regularly, because: You strengthen Canada's might for war.

You help finance purchases in Canada for our Allies. You form the habit of thrift that safeguards your future. You open for yourself the door to opportunity. And you smooth the path for post-war readjustments.

Money in the bank gives you a comforting sense of security.

Flax and Coarse Grains Production Needed as a War Measure

Farmers are urged by the Government to produce as much coarse grains and flaxseed as possible.

Coarse grains are required for the production of livestock and dairy products, and flaxseed is urgently needed for its oil content.

FEDERAL GRAIN LIMITED

YOUR SCRAP RUBBER

is now a vital war material

Enemy action in the Far East has caused such an acute shortage of rubber that our whole war effort is in serious danger. Canada and her Allies *must* have rubber, *quickly*, for the armed forces, for factories, for ships. The Japanese control our source of crude rubber imports—the *only* other quickly available supply is old scrap rubber, which can be reclaimed. Every citizen in Canada must do his part in collecting all the scrap rubber in the country and turning it over to the Government for war purposes. Here is how to do it.

THIS IS AN URGENT APPEAL FOR YOUR HELP

Question: Is the rubber situation really serious?

Answer: The shortage of rubber is so grave that any citizen hoarding rubber or using it unnecessarily is committing an act of disloyalty. It is now illegal to destroy any rubber article.

Question: Of what use is reclaimed rubber?

Answer: Old rubber is processed so that the rubber content is reclaimed. This reclaimed rubber is used in the manufacture of essential articles for our war effort, thus replacing crude rubber.

Question: How much scrap rubber is needed?

Answer: Fifty Million Pounds. This is a large quantity, but it MUST be found. Every old piece of rubber in Canada, no matter how small, is needed, QUICKLY.

Question: Should I turn in any *usable* rubber articles as well as worn out ones?

Answer: Absolutely not! By no means discard anything that is still useful and that might have to be replaced. On the other hand, rubber tires used as boat bumpers, swings, etc., *should* be turned in for war uses.

Question: What kind of scrap rubber is needed?

Answer: Every all-rubber or part-rubber article must be salvaged. Here are a few of the articles you must turn in:

Old Tires of every kind Rubbers
Old Inner Tubes Overshoes
Rubber Boots, Hats, Coats, Aprons, Pants, Gloves, Tubing, Matting, Toys
Sport Shoes (crepe soles are especially good)
Garden Hose Hot Water Bottles Stair Treads
Bathing Caps and many other articles

Question: What happens to the scrap rubber collected?

Answer: The scrap is sorted, baled and assembled into carload lots and is then purchased by the Government at fixed prices throughout Canada. The Government pays forwarding transportation charges on these carload lots, and is responsible for their allocation. You may be sure that every pound will be used directly or indirectly in the war effort.

Question: How do I go about saving scrap rubber?

Answer: Start hunting for it TODAY. Clean out your cellars, attics, garages and sheds right away. You will find more rubber articles than you expect. Start them all on their way to the battlefront.

HOW DO I TURN IN MY SCRAP RUBBER?

The school boys and girls of Canada are being organized, through the school authorities, to act as Official Collectors of Scrap Rubber. The school nearest you is, therefore, your best Collection Depot. You may dispose of your scrap rubber in any one of the following four ways:

1. Give it to the children for their school collection.
2. Give it to your local National Salvage Committee.
3. Leave it with any Service Station or Tire Dealer where you see the sign: "Voluntary Scrap Rubber Receiving Depot."
4. Sell it to a junk collector.

When you gather up your scrap rubber and dispose of it by one of these methods, it will be used by the Government for Canada's War Effort. Do it NOW!
